

Subject: **Invitation to Participate in INMARCO 2026**

Dear Sir/Madam,

We are pleased to announce that IME(I); The Institute of Marine Engineers (India) Mumbai Branch-Navi Mumbai and Gujarat chapters, is hosting its flagship event, **International Maritime Conference and Exhibition (INMARCO 2026)** from **27th to 29th October 2026** at Hotel Westin, Powai Lake, **Mumbai, India** with an all-encompassing **theme** of 'Maritime Landscape 2030 - Opportunities & Challenges'.

The contributions of this leading technology event held quadrennially since 1982 by IME(I), a not-for-profit global body of professional marine engineers has been immense. Due to its continuing success INMARCO is now supported by the Directorate General of Shipping (attached DO letter from DGS refers) and is well appreciated by industry leaders, policy makers and other stakeholders of the maritime fraternity.

In furtherance of promoting technological advancements and keeping in line with the current industry dynamics and future pathways for the Maritime Industry, INMARCO 2026 will provide a forum to experts from different disciplines of Maritime Industry to share the progress and achievements in the maritime domain. An interactive Exhibition being held concurrently to the Conference at the same venue will provide manufacturers, shipbuilders, vendors, and service providers to interact and leverage this platform to explore new technologies, products and services as part of collective effort in enhancing efficiency, resilience and sustainability of the international maritime community by all stake holders.

The attached Information Brochure outlines the stalwarts from marine field who comprise the Advisory Board to guide the vision of INMARCO 2026, and the conduct of this significant event by the Organising Committee which has a similar eminent representation from the industry. On behalf of the Organising committee, it is my proud privilege to invite You and your esteemed organisation to participate in INMARCO 2026.

We believe that with your participation, we can make significant strides in deliberating complex issues that the sector will face over the next 4-5 years and accelerate the engagement with other participating stakeholders such as; administration, classification societies, equipment manufacturers, human capital investors, industry, multilateral agencies, port authorities globally, recyclers, regulators, shipowners, shipyards, ship-repairers, steel makers, trainers, technology providers and academia to name a few.

Once again, we acknowledge with gratitude that you have been one of our valuable supporters over the years and would engage in this structured dialogue and high-level technical forum and exhibition on the next generation of maritime matters from a multitude of support options within those given in the enclosed Rate Card, that would suit you the best. We look forward to your kind support and confirmation.

With warm regards
